- PHOTO GALLERIES
- WORKSHOP RECAPS
- EVENT OVERVIEW
- ONLINE DOCUMENT HUB

BUILT ALIGNMENT

The AMF is the system, Leadership is the oil, but Culture powers the machine.

You are not alone!! There is a big network to share ideas.

The AMF alone will not drive implementation. We need the leaders to influence the culture for successful implementation.

Relationships continue to evolve and deepen, it was great to collaborate with everyone again. Lots of work ahead!

CONNECTIONS WERE CREATED
